

We are excited to confirm that we have a firm Agreement with our Primary Sponsor for TRIZCON2008. Kent State University, College of Technology, in Ohio has agreed to be our Primary sponsor in April of 2008. The Conference will be held on the campus of KSU at the Student Center, in Kent, Ohio. This is a marvelous facility with plenty of conference/training rooms. They also have a terrific

food court that will satisfy any taste or dietary requirements. We are extremely excited to have Kent State showing positive support for TRIZ and its potential to inspire innovation. The Dean of the College of Technology, Dr. A. R. (Raj) Chowdhury, has indicated that KSU desires to be an eager and energetic partner to make our 10th Anniversary TRIZCON2008 the biggest and best TRIZCON event in Altshuller Institute history. Our primary contact at KSU is Dr. Don Coates. He can be reached at 330-672-0799 (office) or by email: dcoates@kent.edu. READ more about our Call For Papers in the Feature Article.

TRIZCON2008 will be the largest international TRIZ Conference in the world. It will mark the 10th anniversary of the Institute's TRIZCON events. It will be held in Kent, Ohio on the 13-15 April 2008. This event's Primary Sponsor will be the College of Technology at Kent State University and will be held in the KSU Student Center. This annual event will bring together the largest international group of TRIZ experts with end-users. We expect 200-300 participants to attend this landmark Conference.
