ETRIA World TRIZ Future Conference 2012

Oct 24, 2012 - Oct 26, 2012 | 08:30 Hour - 17:00 Hour

New University of Lisbon - Lisbon, Portugal

The Conference is organized by the New University of Lisbon, ETRIA – The European TRIZ association and is sponsored by CIRP, the international Academy for Production Engineering.

The 12th ETRIA World TRIZ Future Conference will be focused on the process of systematic innovation, TRIZ best practices, related research activities, and applications in industry and education.

A broad spectrum of subjects in various fields will be presented and debated with experts, practitioners and newcomers to TRIZ. The Conference aims at linking industrial companies, research centers, educational organizations and individuals to share the experience on systematic innovation and promote TRIZ diffusion worldwide.

It will provide an international forum for exchanging new ideas on TRIZ and knowledge-based innovation, presenting recent achievements by the TRIZ community and enabling further advances and collaboration also with the industrial community.
